

Offer Terms & Conditions for Smart Home (Terms & Conditions: T&C SH003AA)

Offer valid till 31 Dec 2019 limited period only. Applicable to customers registering for Smart Home service at a designated residential address on a new 24-month contract subscription. The above monthly fee is the original service plan monthly fee before the prepayment rebate. Customer is required to make a prepayment amounted to HK\$3,600 at subscription (If applicable). Customer should settle the monthly fee by credit card payment or bank autopayment. An on-site provision and service installation are included. The service installation should be completed, and service should be activated in 90 days upon service subscription. Customer can enjoy telephone enquiry service and on-site service maintenance for 2 times. The installation service is only applicable to the address where the on-site provision is completed. No relocation service shall be provided. If the service is terminated during the contract period for whatever reasons, the prepayment shall not be returned, and customer is required to pay for the equipment cost, the Company shall determine the amount of such payment at its sole discretion.

Company reserves the right of final decision relating to the promotion and any dispute thereof and may change the Terms and Conditions without prior notice. For service plans and offers detail, please click
