

SmarTone Home 5G Broadband Service - Fair Usage policy

FUP (Fair Usage Policy) applies. The plan includes unlimited 5G data. No speed throttling. Once the data usage reaches the 500GB data entitlement of your monthly service plan, unlimited 5G data service remains unchanged. Network resources will be allocated according to network condition which may affect your data service experience. For details, please visit smartone.com/hk/TC_FUP5.
