2.1 A one-month rebate on the monthly fee is only applicable to new customers upon the subscription of designated SuperCare Smartphone Plan. A monthly fee of HK\$316 or HK\$456 will be credited to the Customer's account on the 7th bill month. The rebate does not include the admin fee and any other add-on service fees. To be eligible for the rebate, the plan must be activated on or before 31 August 2015.

2.2 The one-month rebate on the monthly fee will be forfeited if the Customer cancels the designated SuperCare Smartphone Plan subscription or changes to other service plans.

Recommended Retail Price will be updated from time to time. Please refer to the Company's website for the latest update.

2.5 Upon purchasing the second iPhone, the Customer is required to trade in the first iPhone ("Trade-in iPhone") previously purchased. The trade-in value is based on the Company's trade-in price on the transaction day and will be offset from the price of the second iPhone. If the trade-in price of the previously Trade-in iPhone is higher than the price of the second purchased iPhone, the balance will be credited to the Customer's account. The Trade-in iPhone must be of original manufacture without any modification and proven in good working condition and operating normally.

If the Customer does not wish to purchase the Top Up, local data service under the relevant Service Plan will be automatically suspended when the Customer's data usage reaches the Specified Data Usage.
